Regular Classes, Dogs

Puppy Dogs 6-9 Months.

5 -1 Starkeeper`s Ryn. 7 Months, dark brindle and very typical. Lovely head and expression. Strong neck, sufficient angulated forehead, body with substance, good outlines, well angulated hindquarters. movement is active and he holds already his back straight.

15-2 O`Lughs Turbo Diesel. 6 Months old black youngster, good type, lovely head, well sized, strong underjaw, a lot of substance. movement well balanced.

9-3 O`Lughs Patron of Lee Ridge. 6 1-2 Months brindle, well sized, masculine head, good legs and feet, a lot of substance, fore and hindquarters equal and well angulated, movement all right, on this very moment a slight long in loins.

11-4 Eirian`s Queran. Robust 7 1-2 months young puppy, very good type, masculine head with good expression. Equal angulations in fore and hindquarters. Nice length of leg, well boned, movement all right for age.

Puppy dogs 9-12 Months.

25-1 Gladstone`s Thunder Road. 10 Month and very typical pup with good size. Masculine head with a nice expression. Sufficient wide underjaw, sufficient substance, good length of leg and good feet. Equal angulations in fore and hindquarters. Extended movement. Liked his size.

23-3 Aotearoa Mataati Tama O Tote. Elegant wheaten pup of excellent type, Beautiful masculine head with a lot of pigment, sufficient angulations in fore and hindquarters, good length of leg, good bone and very good feet. very good and extended movement.

21-3 Antostal Glendon of Glasglaenn. Very substantial red brindle, excellent type, nice size, masculine head, strong neck, very good body, nice front. movement is active, but his back could be a little stronger.

27-4 Sylverwolf Grady Glasglaenn. 11 Months blond-red brindle. Very good type, strong masculine head, good length of leg, upperarm could a slight more layed back, strong hindquarters, sufficient bone and good feet. Active movement.

12-15 Month Dogs.

29-1 Dun Myrica Nolan Riley of Eagle. 13 Months grey dog, very good type, nice size, strong head with a nice expression, good length of neck, good wide breast and depth of brisket. Rather sufficient angulation in hindquarters, active movement but a little short in stride.

31-2 Calydon Motley Knight. 14 months old dark brindle dog with a powerful head and dark eyes. very good type. Strong neck and good bone, turns his forefeet a little outwards in stand and movement. Very good temperament.

15-18 Months dogs.

33-1 Hearhounds One For the Road. 17 Months old grey dog, very good type and nice size, masculine head with a nice expression, good bone and feet. Good substance for his age, good wide loins. Movement is all right.

Novice Dogs.

37-1 Rockhart Treason. 20 months brindle of excellent type, exc masculine head and expression, dark eyes, powerful good arched neck of good length. very well proportioned with a long well layed back shoulder. Exc forehand and hindquarters. Very well balanced lean dog without any exaggeration. very good mover.

41-2 Glenamadda Wolfholm J Hendrix. 23 Months young . Excellent type, masculine head with a nice expression. Good length of neck, adequate angulation in front good length of leg, substantial body, very strong loins, adequate angulations in hindquarters, active moment.

39-3 Crionnacht Carrickaneena Synge at Armagh. Black dog about 22 months old. He doesn't feel comfortable this very day. Very good type. His lovely head could have a little more strength, good length of neck, adequate bone, sufficient substance in body. Movement is active.

American bred Dogs

67-1 Summerland's Cu Chulainn of Tir Alain. 3 year old dog of Excellent Type, Masculine head with a nice expression, strong neck of good length flowing in a well layed back shoulder. Body with substance, good outlines, good angulations in front and hindquarters. active mover.

69-2 O'Lugh's Flying Dutchman at Howling Hall. Young dog 20 months Nice type, Masculine head, strong neck, could have a slight more balance in front, good length of leg, body with substance, good and adequate angulation in front and hindquarters. movement all right for his age.

65-3 Mise Eire Callan at Kenmore. 2 1-2 years, very good type, good head and expression, a little short in body, sufficient bone and good feet, adequate angulation in front and hindquarters, movement is all right, but he didn't enjoy the day.

63-4 Carrickaneena Inishowen. Dark dog of almost 3 years, very nice type, beautiful head and expression, very good pigmentation, very good length of neck, substantial body. I like him to have more length of leg, excellent mover.

Bred by Exhibitor Dogs.
